Round 3 is subject to the additional eligibility requirements specified in **Section 3.4

3. APPLICANT QUALIFICATIONS

The following academic and English proficiency qualifications and general criteria apply to all applicants. However, program requirements may vary. Applicants must review **Annex 3** for program-specific details and entry requirements before submitting an application.

3.1) Academic Qualifications

Applicants must hold, or be currently enrolled in the final year/term of, one of the following educational credentials recognized by their chosen program:

- Matthayom Suksa 6 (M.6) or its accredited equivalent;
- A vocational certificate/diploma
- A higher education qualification

1. Applicants from Educational Institutions in Thailand

- a. **Standard Thai Curriculum:** Applicants must **have graduated from, or be currently enrolled in the final year/term of**, one of the recognized qualifications listed above that is accepted by their chosen program.
- b. **International School Curriculum:** Applicants must **have graduated from, or be currently enrolled in the final year/term of**, an accredited international secondary education curriculum (e.g., Grade 12 in the US system or Year 13 in the British system).

2. Applicants with Overseas Qualifications or GED Credentials

Applicants who **have completed or are currently completing** their secondary education outside Thailand, as well as GED credential holders, must refer to the secondary education equivalency outlined in **Annex 1**.

Remarks:

1. Applicants who have not completed their educational qualification at the time of application **must submit** their official final transcript and graduation certificate during the new student registration process. **Failure to provide the required documents within the designated deadline may result in disqualification.**

2. Applicants holding overseas qualifications applying to a program with a minimum CGPA requirement must refer to the Grade Point Average (GPAX) equivalency criteria [according to Association of the Council of University Presidents of Thailand's announcement TCAS \(No.4\) on the Criteria for the equivalency of Grade Point Average \(GPAX\) for graduates from Aboard \(September 7, 2026\)](#)

3.2) English Proficiency Qualification

Applicants must fulfill the English language proficiency requirements through one of the following criteria:

1. Native English Speakers

Applicants holding citizenship from Australia, Canada, Ireland, New Zealand, the United Kingdom, or the United States of America are exempt from submitting English proficiency test scores.

2. Non-Native English Speakers

a. Exempt Applicants

Non-native English-speaking applicants may be granted an exemption if they satisfy either of the following conditions:

- i. They are citizens of a country where English is an official language, as listed in **Annex 2; or**
- ii. They have graduated from an international program or an educational institution where English was medium of instruction.

b. Non-Exempt Applicants

- i. Applicants must submit a score from a recognized English proficiency test that meets the minimum score requirement specified by their chosen program in **Annex 3**.

- ii. Applicants who do not hold a valid qualifying test score must take the **CMU English Placement Test (CMU EPT)**, subject to the specific admission criteria of their chosen program.

3.3) Specific Qualifications

Applicants must:

1. Have no record of serious misconduct and agree to comply with the rules and regulations of Chiang Mai University;
2. Have no serious communicable disease or other health condition that may substantially interfere with their studies; and
3. Meet all additional program-specific qualifications as specified in **Annex 3**.

3.4) Additional Immigration Status Requirements for Round 3

Due to the limited time available to complete the visa application process prior to the start of the semester, round 3 is open exclusively to:

1. Thai applicants; or
2. International applicants holding a valid Non-Immigrant ED Visa based on enrollment at an educational institution in Thailand such as secondary or international school or university under the supervision of the Ministry of Education or Ministry of Higher Education, Science, Research and Innovation. Applicants holding a Non-Immigrant ED Visa issued by a language school or other short-term educational programs (e.g., cooking or boxing schools) are not eligible.
3. International applicants holding a valid Non-Immigrant ED Plus Visa who are students at university in Thailand, in compliance with Thai immigration criteria and wish to enroll at Chiang Mai University.

Furthermore, applicants currently holding a valid Non-Immigrant ED Visa must ensure that:

- a. The visa was issued for a duration of at least six (6) months and remains valid until the semester opening date (JUN 21, 2027).
- b. They obtain a visa cancellation letter from their current educational institution, with the cancellation date corresponding to the semester opening date (JUN 21, 2027). Applicants must coordinate the visa cancellation with their current institution and subsequently contact the designated officer of their admitting faculty at Chiang Mai University to proceed with the necessary procedures.

4. APPLICATION PROCESS

Applications must be submitted online through the CMU International Program Admission System (CMU-IPAS) at <https://admission.reg.cmu.ac.th/ipas/>.

Program Selection and Admission Tracks: Applicants must select their desired program(s) and the appropriate application track in the system. As admission criteria and English proficiency thresholds vary across disciplines, applicants must review the program-specific requirements in **Annex 3** before finalizing their track selection.

Program Limits and Additional Applications: Applicants may apply for up to five (5) programs per admission round, but may ultimately accept only one (1) admission offer. Applicants may log in to the CMU-IPAS system at any time during the active application period to apply for additional programs (up to the 5-program limit), even after completing payment for earlier submissions.

4.1) The Regular Track

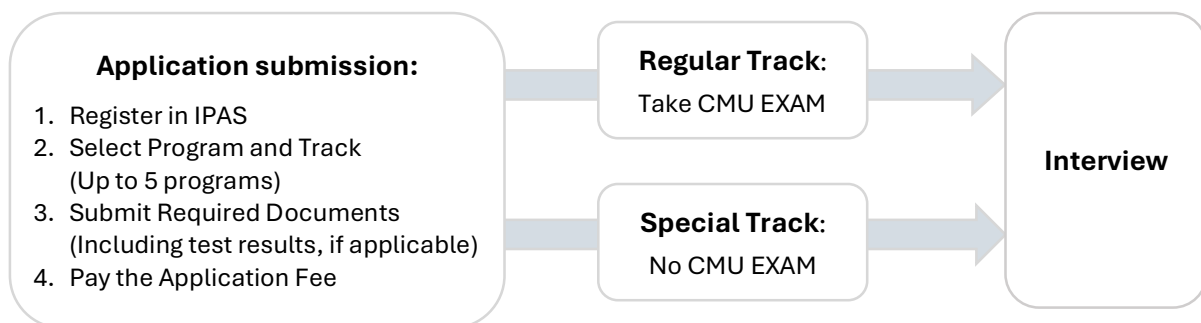

Applicants who do not meet the English proficiency requirements and/or do not have the standardized test scores required by their chosen program must apply through the Regular Track.

Depending on the requirements of the chosen program, applicants must take the **CMU English Placement Test (CMU EPT)** and/or the required specialized subject examinations (**CMU EXAM**), as specified in **Annex 3**.

4.2) The Special Track

Applicants who meet the English proficiency requirements and have obtained standardized test scores required by their chosen program may apply through the Special Track.

Applicants must submit valid evidence of English proficiency and required standardized test scores in specialized subjects, in accordance with the requirements of their chosen program as specified in **Annex 3**.

5. REQUIRED APPLICATION DOCUMENTS

All applicants must complete the online application form and upload clear and legible copies of the required documents. Each file must not exceed **1 MB**. If the document is not issued in Thai or English, applicants must submit the original document along with an official English translation.

5.1) Academic and Program-Specific Documents

1. Official Graduation Certificate

A copy of the official graduation certificate or equivalent qualification. Applicants who have not yet graduated must submit an official certificate of current student status.

2. Official Academic Transcript

A copy of the official academic transcript.

3. English Proficiency Test Results

A valid English proficiency test result, if required for the selected application track and program. Applicants applying through the Regular Track who do not have a qualifying English proficiency test result required to take the **CMU English Placement Test (CMU EPT)** in accordance with the requirements specified in **Annex 3**.

4. Standardized Test Results in Specialized Subjects

Applicants applying through the Special Track must submit valid standardized test results in the specialized subjects required by their chosen program, as specified in **Annex 3**.

5. Other Program-Specific Documents

Any additional documents required by the chosen program, as specified in **Annex 3**.

5.2) Personal Identification Documents

1. Thai applicants and applicants holding a 13-digit identification number issued by the Data Management Center (DMC)

Applicants whose identification number begins with G-code, 0, 00, 6, or 7 must submit a copy of their Thai National ID Card or relevant 13-digit identification card.

2. International applicants

A copy of the applicant's valid passport.

Remarks:

Thai applicants and applicants holding a 13-digit identification number issued by the Data Management Center (DMC), beginning with G-code, 0, 00, 6, or 7, must apply using their Thai National ID Card or the relevant 13-digit identification card. Otherwise, they will be subject to the same tuition fees as international students.

For international applicants, the international student fee of THB 20,000 per semester is already included in the tuition fees specified in **Annex 3**.

Applicants should refer to **Annex 3** for the tuition fee applicable to each program.

5.3) Photograph

One recent photograph in school uniform or formal attire, taken within the last six (6) months, in JPG/JPEG format.

5.4) Non-Immigrant ED Visa Document Required for Round 3 (if applicable)

International applicants applying in Round 3 under **Section 3.4** must submit proof of a valid **Non-Immigrant ED Visa** that meets the eligibility requirements specified in that section.

Remark: If any submitted document is found to be false, fraudulent, altered, or otherwise invalid, the applicant will be disqualified.

6. APPLICATION FEES AND PAYMENT METHODS

6.1) Application fee (non-refundable): THB 1,200 (per program)

6.2) English Placement Test Fee (non-refundable): THB 400

Chiang Mai University must receive the full amount of the applicable fee(s), excluding any transaction or processing fees, before the application can be processed. Payment may be made through one of the following methods:
