

ECON CMU

More Than Knowledge. A Fresh Perspective. Real-World Impact.

At the Faculty of Economics, Chiang Mai University,
we go beyond teaching economics in the classroom. We encourage you
to explore the world from new perspectives, think critically, analyse complex issues
and take action to make a meaningful impact in the real world.

Benefit from expert guidance
and close interaction
with lecturers.

Apply economic concepts
to real-world case studies.

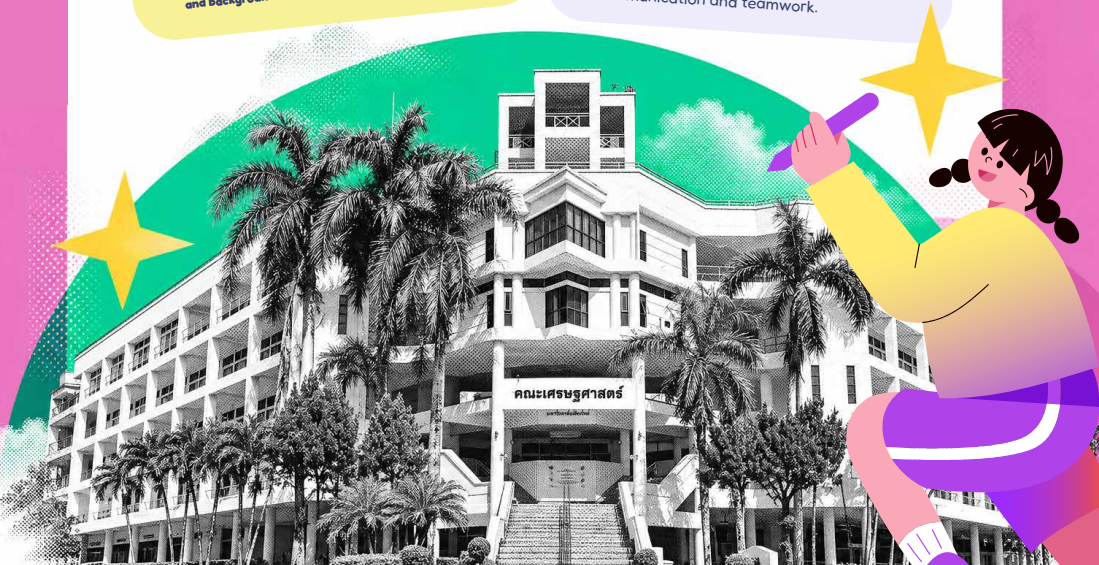

Study alongside students
from diverse countries
and backgrounds.

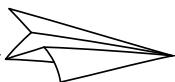

Experience a city full of
opportunities and an excellent
quality of life.

Opportunities Beyond the Classroom
